

Though initial treatment will often meet immediate needs, such as urgent care relating to trauma or infection, the long-term goal for each patient is comprehensive.

In Snohomish County, 1 in 3 people lack dental coverage. Our South Snohomish location enables us to serve many men and women who previously lacked access to dental care.

VOLUNTEER WITH US

Dedicated volunteers are the backbone of Puget Sound Christian Clinic, and an integral part of the services we provide our patients. The following volunteer positions are available at our clinic.

DENTISTS

Volunteer dentists at PSCC are eligible to receive 7 free CEU's annually. If you need malpractice insurance, it is available at no cost to you through Washington Healthcare Access Alliance (WHAA). If you are retired and your license has not lapsed, WHAA will also pay your license renewal fee.

DENTAL HYGIENISTS

It's easy to get started as a volunteer at our clinic and earn free CEU's in the process! WHAA also provides malpractice insurance at no cost.

DENTAL ASSISTANTS

As a volunteer, you'll work alongside qualified and compassionate dentists while also gaining valuable professional experience. Dental assistants sterilize and maintain equipment and assist volunteer dentists and dental hygienists.

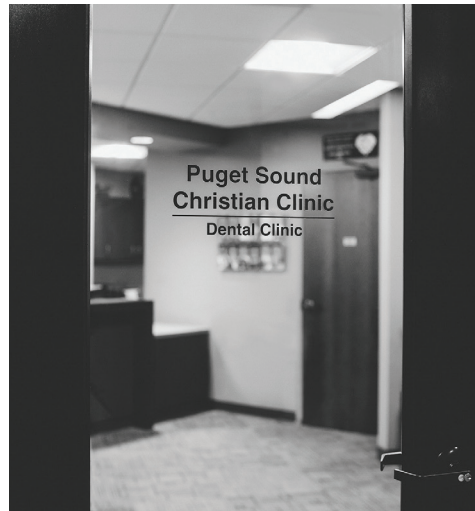

OTHER OPPORTUNITIES

Patient Care Coordinators, Translators, Additional Clinic Volunteers

If you are interested in volunteering in our dental clinic, please contact us at volunteer@pschristianclinic.org or 206-363-4105 ext. 223.

BRINGING HOPE AND HEALTH TO COMMUNITIES.™

Puget Sound Christian Clinic's mission is to show Christ's love to people who are underserved by offering access to quality and compassionate health care.

PUGET SOUND CHRISTIAN CLINIC

DENTAL CLINIC

ABOUT US

Puget Sound Christian Clinic (PSCC) began in North Seattle in 2003 through the shared vision of a small group of health care professionals who saw an urgent need for quality, compassionate health care right in their local community.

Dental care is a tremendous need in the community, but PSCC's dental resources were limited and only 200 patients could be seen annually.

A few years ago PSCC was presented with the opportunity to build a new and expanded dental clinic in Lynnwood, WA. With support from the community and generous donors, our new fully equipped, state-of-the-art, 5 chair dental clinic opened up to patients in September 2016. With the new space, PSCC will be able to provide several thousands of patients with care instead of only a couple hundred.

SERVICES

Puget Sound Christian Clinic (PSCC) Provides comprehensive dental care, including the following:

- X-Rays
- Root Canals
- Cleaning
- Crowns and Bridges
- Fillings
- Dentures
- Extractions

Our advanced, narcotic free clinic welcomes patients by appointment only. Urgent care and walk -ins are accepted as the schedule allows. We provide affordable, high-quality care with a sliding fee schedule. A \$20 deposit is required to hold an appointment. Please be on time, as late shows cannot be seen and will need to make another appointment.
