12 Months of Giving

For PSCC, 2017 has been a year for the record books. We have been able to do more, because **YOU gave more**. But we can't stop here. We know the **need is higher than ever**. Our wait lists for appointments are longer than any time in our past. We want to be able to open more appointments to serve more patients.

Did you know... ?

\$14 a month provides one counseling visit.

\$42 a month provides one medical appointment.

\$96 a month provides 4 patients with a dental cleaning.

\$400 a month provides all of our diabetic patients with one full month of testing supplies.

Monthly giving matters at all levels. Join us by partnering with us each month.

HAPPY NEW YEAR from all of us at PSCC!
