

# 12 Days of Giving at PSCC

2

## 2 Hundred Volunteers and YOU!

PSCC partners with **two hundred volunteers** (and counting)! Through their sacrificial service, PSCC volunteers have given **over half-a-million dollars of donated service hours** this year alone.

Our volunteers come together, offering PSCC their time and talents. We need you to join us by offering your treasure!

Every dollar you give **supports the hard work of PSCC's volunteers** and allows us to continue this important work. We deeply appreciate your partnership and generous support!
