

12 Days of Giving at PSCC

6 Wheels on the Mobile Clinic

PSCC's Mobile Medical Clinic allows us to go to where our patients are - Lynnwood, Snohomish, Greenlake and Haller Lake. The impact of this mobility is **transformative and immeasurable!**

And in 2018, we have an opportunity to bring the MMC to EVEN MORE locations! Requests for partnerships are constantly being brought to PSCC. Discussions are underway for two more partnerships bringing our clinic to patients in high need areas, but the **cost is great.**

We cannot express how important **every dollar** is you give to us and those we serve.

Give today, and help us get the wheels on the MMC moving!
